# ***Freedom of Information Act (FOIA) Annual Report for Fiscal Year 2015***

## **1.0 Executive Summary**

**Reporting Period: October 1, 2014 through September 30, 2015**

The Department of Defense Freedom of Information Act (FOIA) program processed 56,507 requests for records under the FOIA. The DoD released information in 61% of all processed cases, and released information in 94% of cases in which documents were located. Requests were granted in full for 60% of those requests; a partial release of documents was made in 39% of those requests; and 6% of requests were denied in full on the basis of FOIA exemptions. The privacy exemptions, Exemptions 6 and 7(C), were the most common exemptions accounting for approximately 58% of all exemptions used. The number of pending FOIA requests for the Department of Defense at the end of fiscal year 2015 was 12,695 requests, a 9% increase from the 11,704 requests pending in the fiscal year 2014.

The number of backlogged requests (those still open past the statutory response time) increased from the 8,510 at the end of fiscal year 2014 to 9,493 at the end of fiscal year 2015, a 9% increase in backlogged requests. The number of backlogged appeals increased from 732 to 797, a 9% rise, in fiscal year 2015. The number of pending consultations increased from 1,122 to 1,289, an 8% rise in fiscal year 2015.

The total cost of processing FOIA requests for the Department of Defense, including litigation costs, has decreased from \$83,081,035.37 in fiscal year 2014 to \$76,165,642.48 in fiscal year 2015. The average cost of processing a FOIA request in the Department of Defense during this period was approximately \$1,272.42: a decrease, on average of \$38.41 per case compared to last year's figure of \$1,310.83. The total full time and full time equivalent DoD FOIA personnel decreased from 754.42 to 724.36.

## 4.2 Definitions of Terms

- **Administrative Appeal:** A request to an agency asking that it review at a higher administrative level a full or partial denial of access to records under the FOIA, or any other adverse FOIA determination.
- **Average number:** The number obtained by dividing the sum of a group of numbers by the quantity of numbers in the group. For example: the average of 3, 7, and 14 is 8.
- **Backlog:** The number of requests or administrative appeals that are pending at an agency at the end of the fiscal year that are beyond the statutory time period for a response.
- **Component:** DoD processes requests on a decentralized basis; a “component” is an entity, also sometimes referred to as an Office, Combatant Command, or Defense Agency, within DoD that processes FOIA requests.

- **Consultation:** The procedure whereby an agency responding to a FOIA request first forwards a record to another agency for its review because that other agency has an interest in the document. Once the agency in receipt of the consultation finishes its review of the record, it responds back to the agency that forwarded it. That agency, in turn, will then respond to the FOIA requester. The DoD tracked consultations as FOIA requests until July 1, 2008. Due to DOJ guidance, they are now tracked and reported separately.
- **Exemption 3 Statute:** A separate federal statute prohibiting the disclosure of a certain type of information and authorizing it being withheld under FOIA, 5 U.S.C. 552(b)(3).
- **FOIA Request:** A FOIA request is generally a request to an agency for access to records concerning another person (i.e. a “third-party” request), or concerning an organization, or a particular topic of interest. FOIA requests also include requests made by requesters seeking records concerning themselves (i.e., “first-party” requests) when those requesters are not subject to the Privacy Act, such as non-U.S. citizens. Moreover, because all first-party requesters should be afforded the benefit of both the access provisions of the FOIA as well as those of the Privacy Act, FOIA requests also include any first-party requests where an agency determines that it must search beyond its Privacy Act “systems of records” or where a Privacy Act exemption applies, and the agency looks to FOIA to afford the greatest possible access. All requests which require the agency to utilize the FOIA in responding to the requester are included in this report.
- **Full Grant:** An agency decision to disclose all records in full in response to a FOIA request.
- **Full Denial:** An agency decision not to release any part of a record or records in response to a FOIA request because all the information in the requested record or records is determined by the agency to be exempt under one or more of the FOIA exemptions, or for some procedural reason such as no record is located in response to a FOIA request.
- **Median number:** The middle, not average, number. For example, of 3, 7, and 14, the median number is 7.
- **Multi-track processing:** A system in which simple requests requiring relatively minimal review are placed in one processing track and more voluminous and complex requests are placed in one or more other tracks. Requests in each track are processed on a first-in/first out basis. A requester who has a compelling need for records may request expedited processing (see below).
  - **Expedited Processing** – an agency will process a FOIA request on an expedited basis when a requester satisfies the requirements for expedited processing as set forth in the statute and in agency regulations.
  - **Simple Request** – a FOIA request that an agency using multi-track processing places in its fastest (non-expedited) track based on the low volume and/or simplicity of the records requested.
  - **Complex Request** – a FOIA request that an agency using multi-track processing places in a slower track based on the high volume and/or complexity of the records requested.

- **Partial Grant/Partial Denial:** An agency decision to disclose a record only in part in response to a FOIA request, deleting information determined to be exempt under one or more exemptions under the FOIA; or a decision to disclose some records in their entirety, but to withhold others in whole or in part.
- **Pending Request or Pending Administrative Appeal:** A request or administrative appeal for which an agency has not taken final action in all respects.
- **Perfected Request:** A request for records which reasonably describes such records and is made in accordance with published rules stating the time, place, fees (if any) and procedures to be followed.
- **Processed Request or Processed Administrative Appeal:** A request or administrative appeal for which an agency has taken final action in all respects.
- **Range in Number of Days:** The minimum and maximum number of days to process requests or administrative appeals.
- **Time limits:** The time period in the FOIA for an agency to respond to a FOIA request (ordinarily 20 working days from proper receipt of a "perfected" FOIA request).

### 4.3 FOIA Exemptions & Short Definitions
